

Fundraising with Just Giving

Online fundraising is a great way to raise sponsorship.

When you set up an online fundraising page at www.justgiving.com search for '**Hospice Celebration Walk 2023**' which will link your page to the event.

Here's the direct link to the **Hospice of the Valleys Hospice Celebration Walk** Just Giving Campaign

<https://www.justgiving.com/campaign/hospicecelebrationwalk2023>

The funds from Just Giving automatically come through to the Hospice, so once you have set up your page and share it with friends, family, teammates and colleagues you don't have to do anything else.

Of course, you are most welcome to raise funds using your **Hospice Celebration Walk** Sponsorship Form. Please ask everyone who sponsors you to complete the form, as we can only claim *gift aid* if the form is not completed all in the same handwriting.

When a sponsor ticks *gift aid*, this allows the Hospice to claim an extra 25p per £1.00 at no additional cost to you or the person sponsoring you 😊.

Thank you and good luck with your fundraising!
