

## Why leave a gift in your Will?

By remembering Hospice of the Valleys in your Will, you can help ensure that people in our community receive the support they need to live and die well and to create lasting memories with their loved ones.

Here at Hospice of the Valleys we believe in providing our patients, and their loved ones, with the support and dignity they deserve as they face the end of their lives. As a supporter of ours, you will share that belief.

We understand that a Will is a deeply personal and private document, however we hope that after providing for your loved ones, you will also think of us.

Every gift, no matter the size, makes a real difference.

## Making a difference today and tomorrow

Last year, gifts in Wills helped cover the cost of running all of our clinical services for 14 weeks.

As demand for our services continues to grow, legacy gifts help ensure we can be here for patients and their loved ones now and for generations to come.

Together, we can continue to provide the care, dignity and support our community deserves.

## Raymond's lasting gift

Raymond left a gift of £2,000 to Hospice of the Valleys in his Will.

His granddaughter, Helen, said:

“I’m glad that Raymond left a gift to the Hospice in his Will. He was so grateful for the care they gave my grandmother Amy. It was his way of saying thank you and helping the Hospice continue its work in the future.”

## How to leave a gift in your Will

An up to date Will is the only way to ensure that your wishes are carried out and that loved ones and causes that are important to you benefit from your Will.

There are three simple ways to include Hospice of the Valleys:

1. Take advantage of our ‘Free Will Month’ – Each February, local solicitors can write a basic or mirror Will free of charge (with a suggested donation to the Hospice).
2. Your own solicitor – Provide our charity name, number and address, and your solicitor will take care of the rest.
3. Update an existing Will – Your solicitor can advise on adding a gift at any time.
