PAYROLL GIVING

SUPPORTING HOSPICE OF THE VALLEYS

A Simple Way for Your Employees to Support Local Hospice Care.

Hospice of the Valleys supports people living with a life-limiting condition to live well for as long as possible, working alongside them and the people and things that matter most to them through to the end of life.
Through Payroll Giving, your employees can help local people access the support they need at some of the most challenging times in their lives. Every donation helps us work alongside patients and their loved ones, supporting them in the ways that matter most to them.

WHAT IS PAYROLL GIVING?

Payroll Giving, also known as Give As You Earn, allows employees to donate directly from their salary before Income Tax is deducted.
Employers set up the scheme through our approved Payroll Giving Agency, Charities Aid Foundation (CAF). Donations are deducted through PAYE and sent directly to Hospice of the Valleys.
Payroll Giving is a simple, tax-efficient way for employees to support local people living with a life-limiting condition and their loved ones.

Hospice of the Valleys

How It Works

Hospice of the Valleys Payroll Giving

1. Your organisation registers for Payroll Giving through CAF Give As You Earn.

2. Employees choose Hospice of the Valleys as their nominated charity and decide how much they would like to give each month.

3. Donations are deducted through payroll before Income Tax is calculated.

4. Payments are sent to CAF, who then distribute the funds to Hospice of the Valleys.

Example

If an employee wishes to donate £10 per month to Hospice of the Valleys, a basic-rate taxpayer may only see a reduction of approximately £8 in take-home pay, while Hospice of the Valleys receives the full £10.
